③① ① Diary entry (How do you celebrate Deepavali)

10-11-2025

Dear Diary,

Today was a wonderful day. We celebrated Deepavali with joy. Early in the morning, we decorated the house with rangoli and lit oil lamps. In the evening, we burnt crackers safely with our friends and family members. At night, we ate delicious sweets and special dishes prepared by my mother. I enjoyed the whole day with happiness.

It was the best Deepavali ever!

Good night.

③② ② Yesterday was a wonderful day. I woke up early. My brother shouted. "Wake up quickly!" I asked him, "Why are you in such a hurry?" He replied, "Because today is our picnic day." We packed many things and moved on.

He believed that children are the future of the nation.

He always encouraged them to dream big and work hard to achieve their goals. He enjoyed talking with students and inspired them with his simple living and great thoughts. He said, "Dream, dream, dream. Dreams transform into thoughts and thoughts result in action." He will always remain a great inspiration for children.
