The roles and responsibilities at the district level officers are as follows:

1) The District Educational Officers will serve as the Course Director of the training program, ensuring its smooth execution. They will coordinate with APCs, DIET principals, DYEOs, DCEB Secretaries, AMOs, MEOs and clerical staff in the DEO office and District DIKSHA Coordinators to facilitate effective training. This collaboration is essential for organizing logistics, addressing any issues that arise, and ensuring that the training meets its objectives.

2) The District Educational Officers should ensure that the assigned SRPs and DRPs are deputed to the training program in their respective districts.

3) DCEB Secretaries and AMOs, where the venues are located, have to look after the logistics, arrangements, and other essentials required at the venues timely.

4) From all 28 districts, the DRPs list should be released at the district level based on the list received from the respective District Educational Officers. The

proceedings for the participants list should also be issued at the district level accordingly.

5) Each venue will have minimum 2 in-charges overseeing various aspects, including coordination with vendors, food arrangements, technical support, accommodation, stationery, and sanitation.

6) Concerned RJDs, DEOs and APCs are requested to conduct the preparatory meetings with DYEOs, DCEB Secretaries, AMOs & MEOs to depute the SRPs and DRPs to the mapped venues without fail and for smooth conduct of the training.

7) A monitoring committee to be formed at every venue with the mapped district officials to monitor the facilities and observe the sessions.

8) IFP Panels should be installed by the DNOs (District Nodal Officers) with the coordination of IFP vendors in each classroom, and DEOs should make a follow-up on this. DRPs should be allotted for each classroom

9) Mobile phones should be deposited in the classroom by keeping them in silent mode, and they can be used only during break times.

10)Training Module, PPTs and videos etc for the training may be download from the following link/QR code:
