addressed to the Commissioner (Infrastructure), DoSE, Andhra Pradesh.

2. Lr.Rc.No.SS-15024/25/2023-SAMO-SSA, Dt:22/10/2023,  
addressed to the Commissioner of School Education, Ibrahimpattanam.

& & & &

The attention of all the District Educational Officers (DEOs) in the state is drawn to the subject cited above. The DIKSHA (Digital Infrastructure for Knowledge Sharing) is a flagship initiative of the Ministry of Education, Government of India, aimed at providing high-quality e-content to enhance teaching and learning. Andhra Pradesh has been a front runner in leveraging DIKSHA, in content creation and effectively implementing QR-coded Energized Textbooks (ETBs).

It is reiterated that various digital resources, including interactive e-content, audio stories, structured pedagogy lesson plans, and online courses, have been developed and uploaded onto the DIKSHA platform. Recently, several updates have been introduced on DIKSHA. The DIKSHA platform now includes the following enhancements:

- a. Reverse integration with Google Classroom.
- b. Learner Passbook for tracking completed courses.
- c. Improved video analytics.
- d. Addition of new program categories and course codes.
- e. Integration of Katbook books using iframes.

- f. Bhashini integration for EPUB reading.
- g. Inclusion of CWSN (Children With Special Needs) focus areas on the homepage.

Considering the increasing importance of DIKSHA, the District Educational Officers (DEOs) are instructed to direct MEOs and Headmasters to ensure active utilization of DIKSHA's resources by the students and Teachers in their daily teaching-learning activities using IFPs and Smart TVs in classrooms.

It is further informed that **Single Sign-On (SSO)** feature is now enabled, allowing teachers to log in using their **Teacher Information System (TIS)** credentials at: <https://cse.ap.gov.in/diksha> or <https://diksha.gov.in/ap/>. The SSO feature offers multiple benefits, including tracking course completions, monitoring learning hours, and resolving forgotten password issues.

All the teachers and officials of DoSE should be instructed to update their profiles immediately upon logging into DIKSHA via SSO mode.

The users with multiple accounts should merge them into a single official account as per the enclosed SOP (**Annexure 1**) to consolidate their learning records. All teachers and officials must complete their DIKSHA profile updates and delete duplicate accounts by **30-04-2025**.

Further, screen recorded tutorial videos links pertaining to SSO login process (<https://youtu.be/YlulB7FzzoQ>) and account merging process (<https://youtu.be/6UrYb6Do368>) are also be shared with all the stakeholder.

To strengthen DIKSHA activities at the district level, three District DIKSHA Coordinators (one Academic Coordinator and two Technical Coordinators) have been nominated for each district. Therefore, all District Educational Officers (DEOs) are requested to nominate **new District DIKSHA Coordinators wherever**

**vacancies exist or changes are necessary.**

The following guidelines should be followed while nominating District DIKSHA Coordinators:

- Preference should be given to National ICT Awardees, NRGs, SRGs, and DRGs who have actively contributed to DIKSHA e-content creation and related activities in the state.
- Nominees must possess strong ICT skills and demonstrate a commitment to DIKSHA initiatives.
- In districts where DIETs exist, at least one DIKSHA Coordinator should be nominated from DIET.
- DEOs are requested to furnish the details of the three nominated DIKSHA Coordinators via the following Google Form (Link already shared with district AMOs).

Therefore, all DEOs are requested to submit the details of the three nominated District DIKSHA Coordinators via the Google Form (already shared with district AMOs). Additionally, each district must create or update a **District DIKSHA WhatsApp Group**, with AMOs and DIKSHA Coordinators as admins and Mandal DIKSHA Coordinators as members.

The DEOs are also requested to share the **contact details of the DIKSHA Coordinators** with all MEOs, CRPs, School Heads, and Teachers in their respective districts to ensure the effective implementation of training programs, activities, and content hosted on the DIKSHA platform. Furthermore, it is essential to review DIKSHA activities at the district level on a **monthly basis** to monitor progress and address any challenges.

The submission of the required details must be **completed by 25.04.2025**, along with a copy of the DEO's official order.

For any queries or support, please contact Dr. T. Mahammad Ismail, State DIKSHA Coordinator, Samagra Shiksha, Andhra Pradesh.

B SRINIVASA RAO I A S  
STATE PROJECT DIRECTOR
